

CENTENNIAL JING-ZHANG · V2

JINGZHANG RENZI LINE

The route may turn; every task must land.

Processing is not the finish; return to confirm is.

Conceptual experience image; not an existing, approved, or built condition.

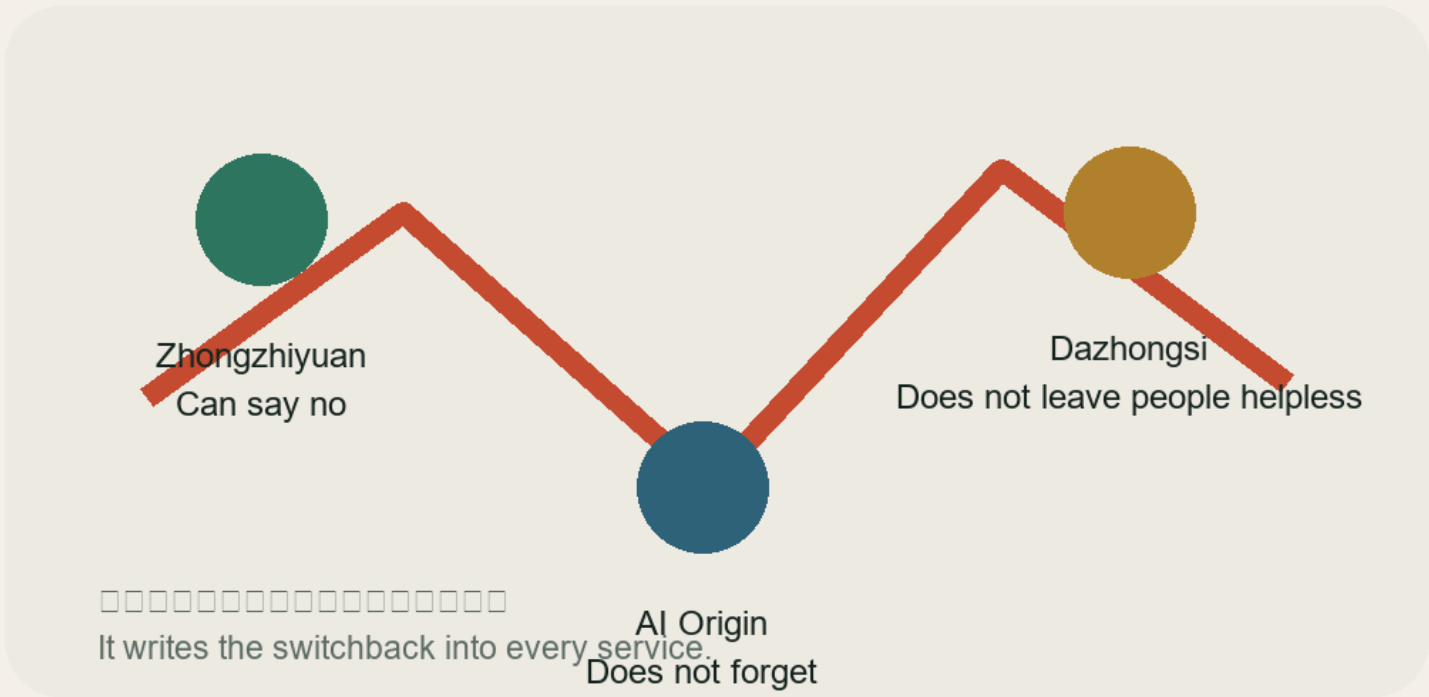

The return line

system remembers, lead returns, public confirms.

01 / RETURN LINE

A city-service line that returns to confirm

Processing is not the finish; return to confirm is.

- 01 Discover
- 02 Named lead
- 03 Controlled action
- 04 Return to confirm
- 05 Continue if unresolved

PROVISIONAL DESIGN MODEL

JINGZHANG RENZI LINE V2

Spatial interface kit

understandable, findable, staffable.

02 / SPATIAL KIT

Let people understand and find it first

Then let AI work in the background.

GROUND RETURN TICKS

Signals that service returns

LOW-GLARE RECEIPT

THIS ISSUE
LEAD
RETURN DATE
IF UNRESOLVED

Issue / lead / return date

PAPER + STAFF

Human help is direct
Basic service without an app

PROVISIONAL DESIGN MODEL

JINGZHANG RENZI LINE V2

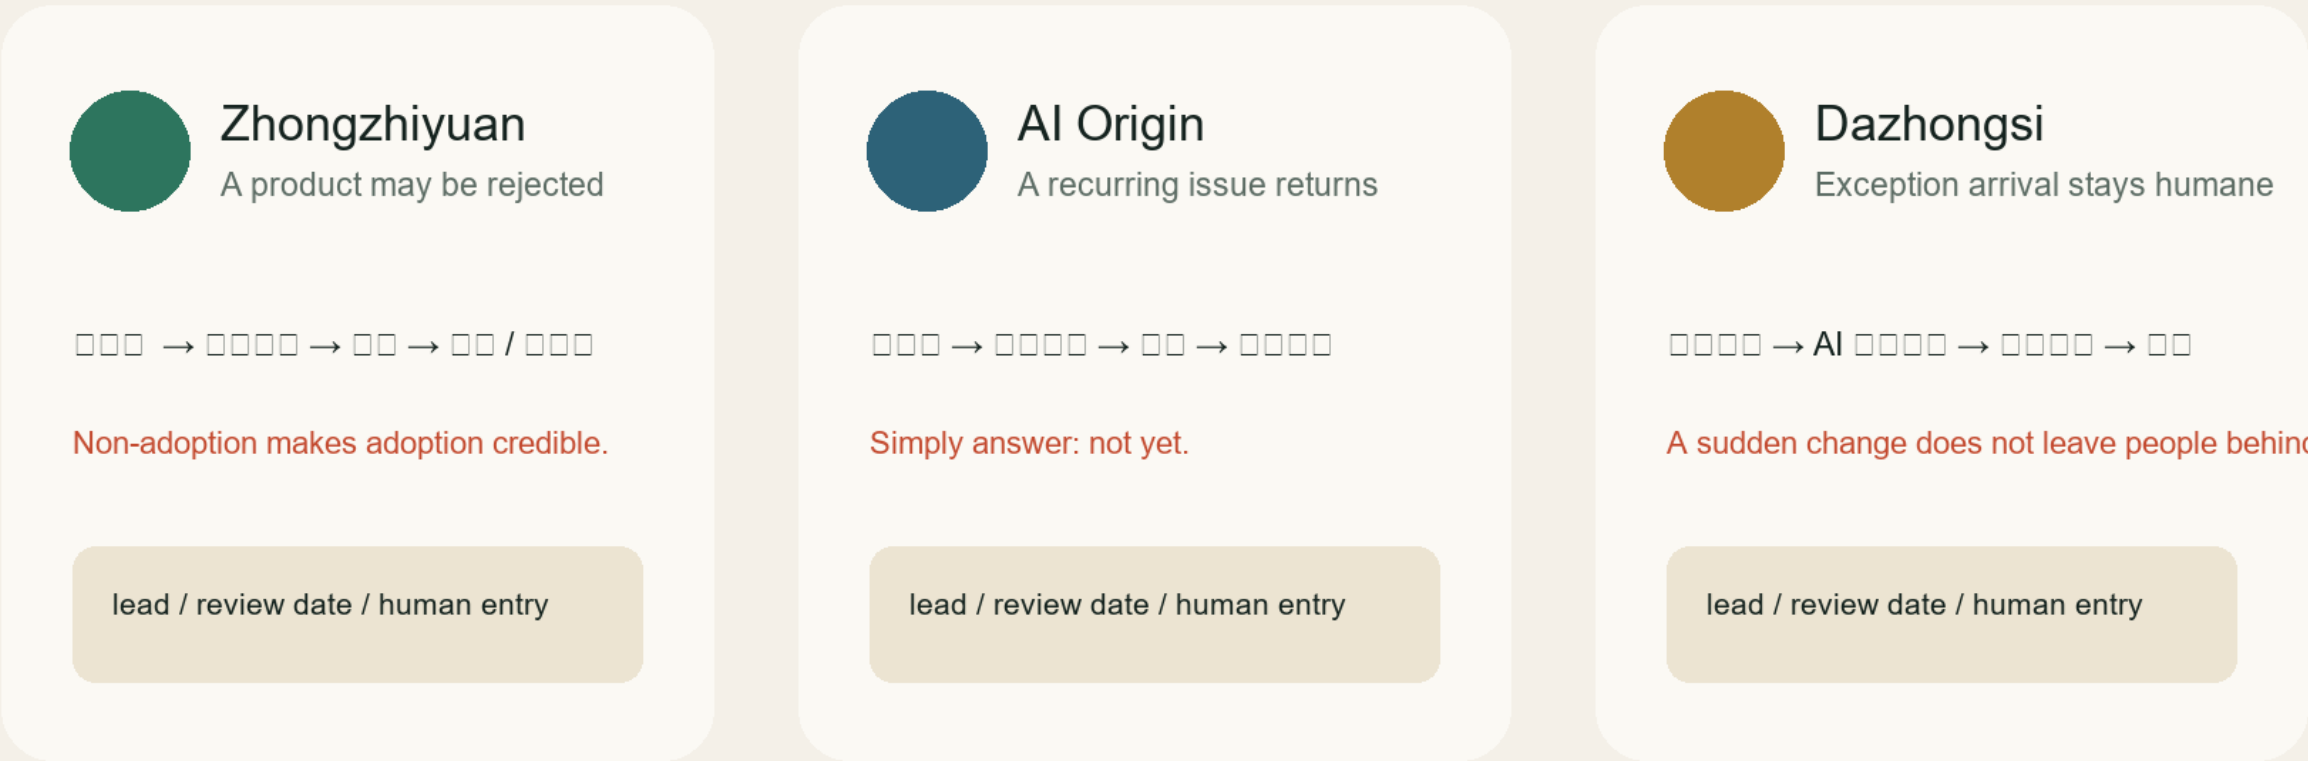

Three return nodes

say no, do not forget, leave no one helpless.

03 / THREE RETURN NODES

One promise, three distinct public experiences

Dazhongsi explicit · Zhongzhiyuan professional · AI Origin quiet

PROVISIONAL DESIGN MODEL

JINGZHANG RENZI LINE V2

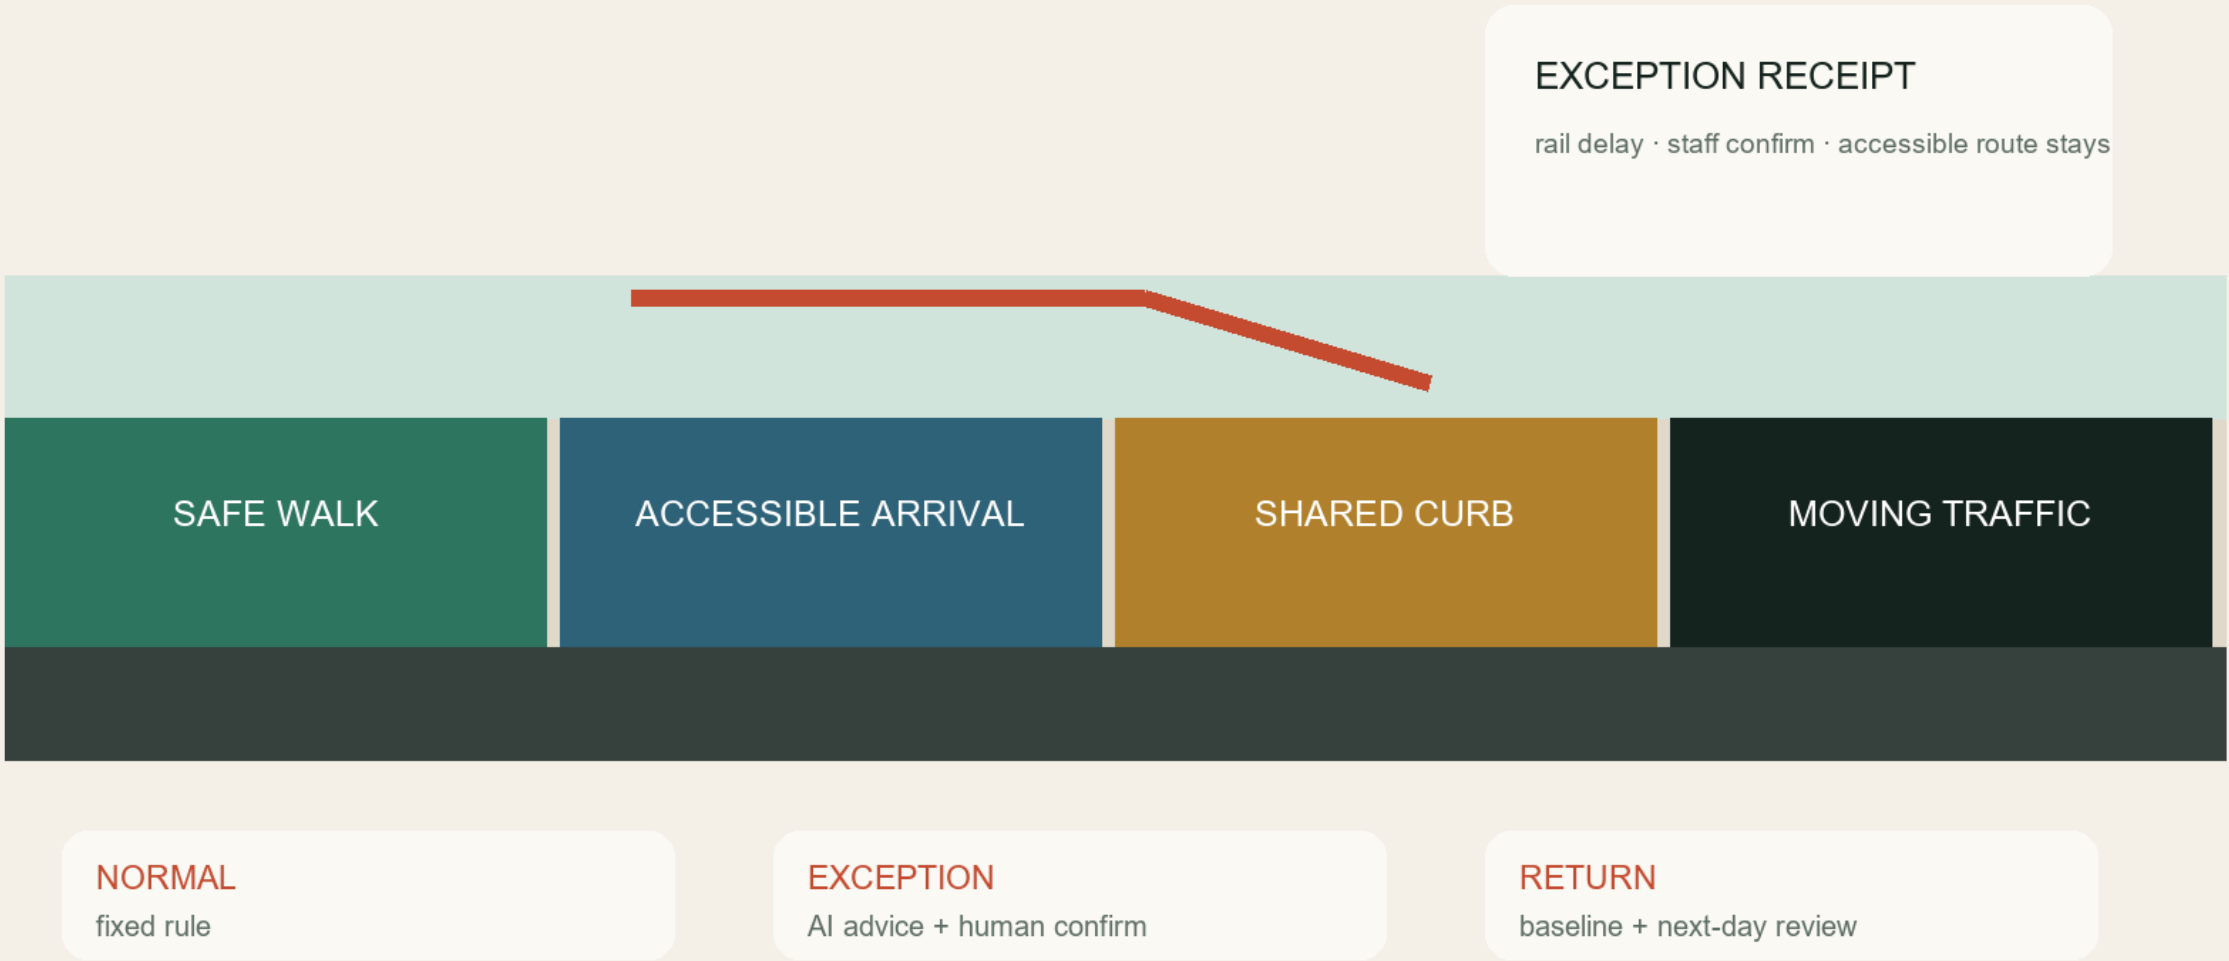

Dazhongsi exception arrival

rules first; AI assists exceptions only.

04 / DAZHONGSI HERO

The last segment after a rail delay

AI estimates exception; staff confirm switch; next-day receipt confirms recovery.

PROVISIONAL DESIGN MODEL

JINGZHANG RENZI LINE V2

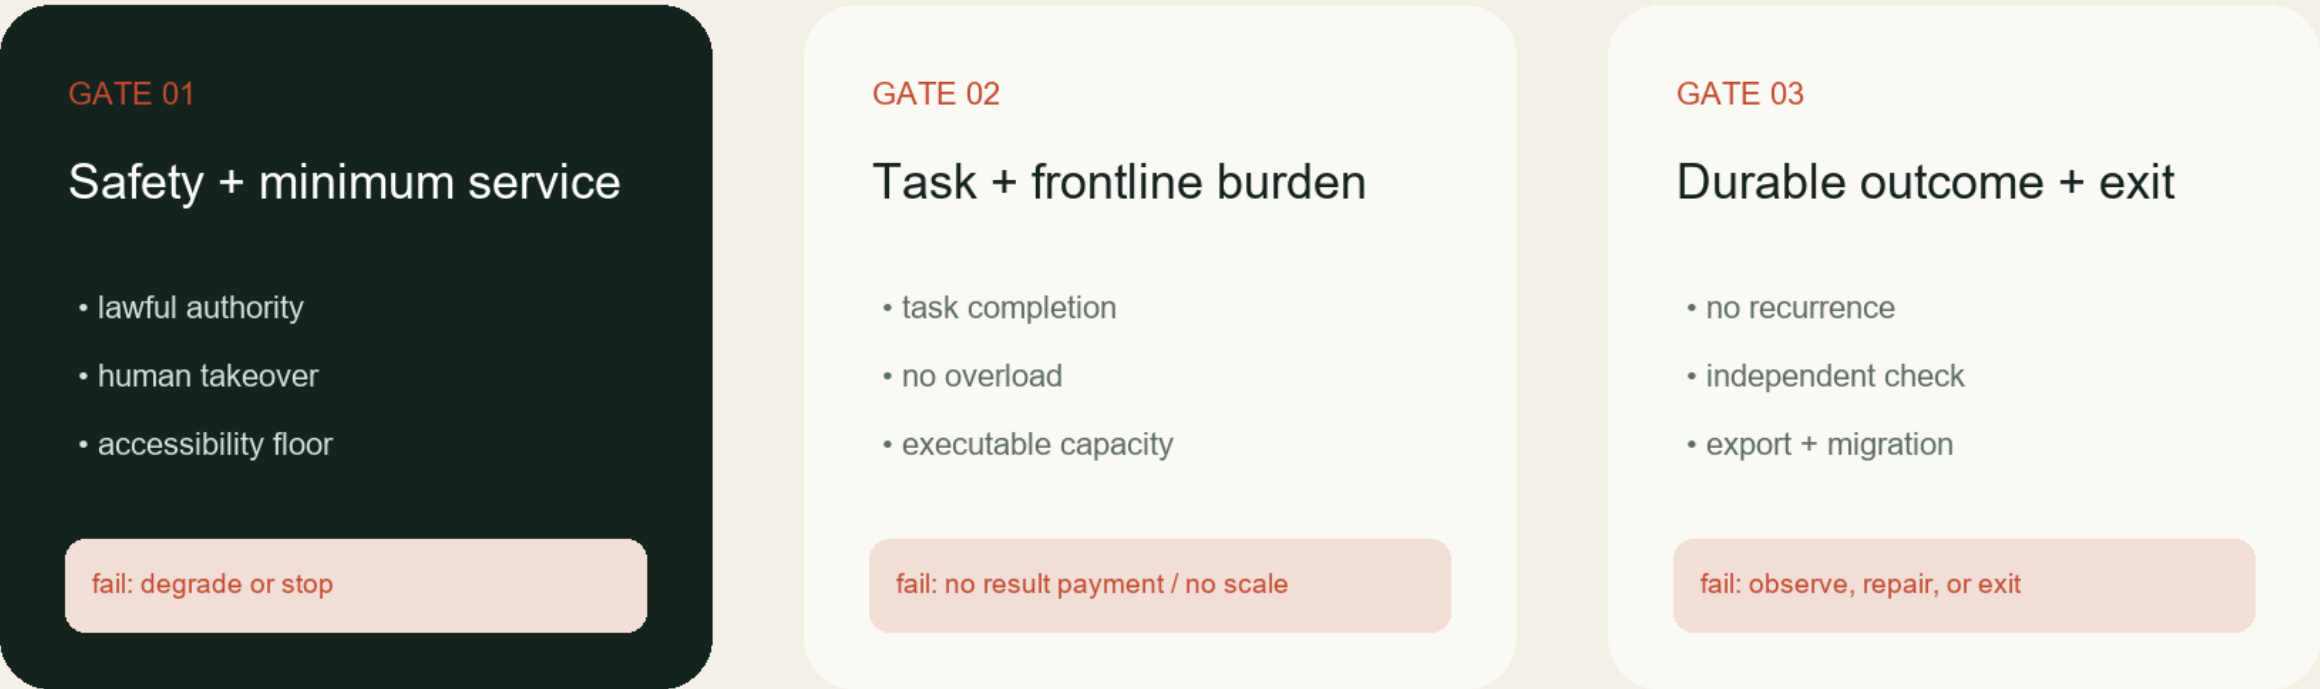

Proof before scale

safety, task, durable outcome.

05 / PROOF BEFORE SCALE

Three gates protect real outcomes

Not platform launch, device count, or alert volume.
