

Youth Co-Creation Loop YOUTH.JZ- Youth Innovation Community & Youth-Friendly Public-Service Network (Concept - A0 Board 1/2)

Core map - land-use structure - three nodes (single caliber; three-tier scopes per official text approx. 43.6 km² / approx. 11.4 km² / approx. 368.4 ha)

PROVISIONAL boundary - not an official redline - recalculate after official data

Overall design overview (provisional)

Overall Design Overview - Youth Co-Creation Loop YOUTH.JZ

PROVISIONAL boundary - not an official redline - recalculate after official data

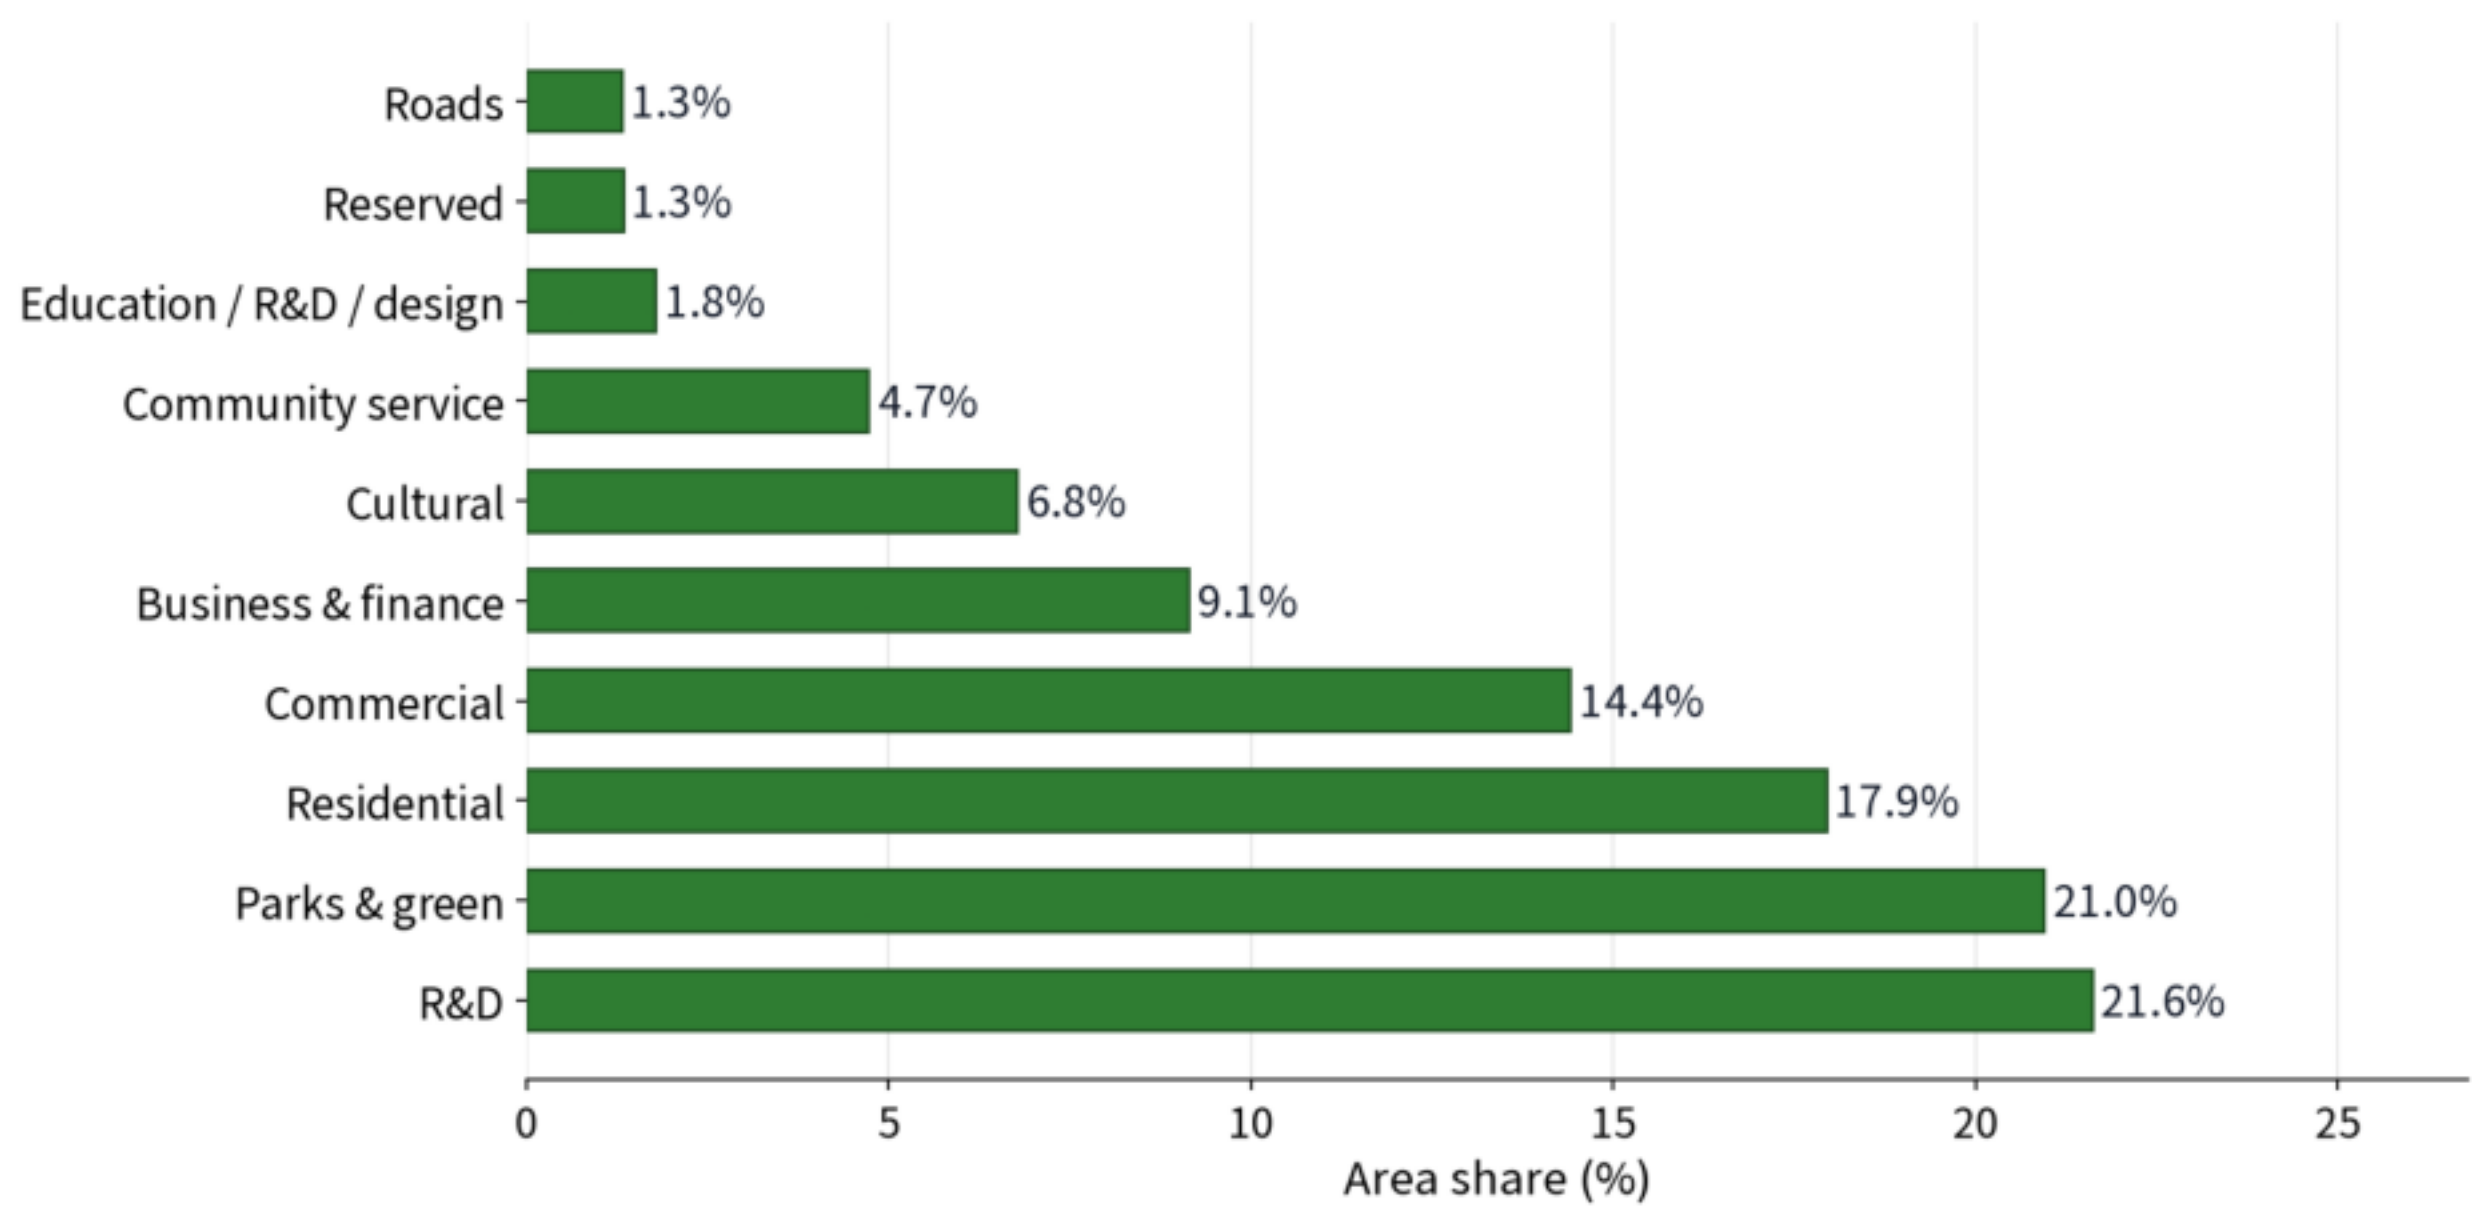

- Overall design scope (provisional)
- Three key areas (provisional)
- Green space (concept)
- Public space / node
- Slow-traffic spine / stitch links
- Building envelopes (reuse-first)
- AI landmark (conceptual site)
- Heritage zone (concept)

Areas and ratios are rounded concept values; recalculate by the declared formulas after the organizer publishes official boundaries and baseline data.

Conceptual land-use structure (single caliber)

Conceptual land-use structure (single caliber: area share of the ten land_use classes)

PROVISIONAL boundary - not an official redline - recalculate after official data

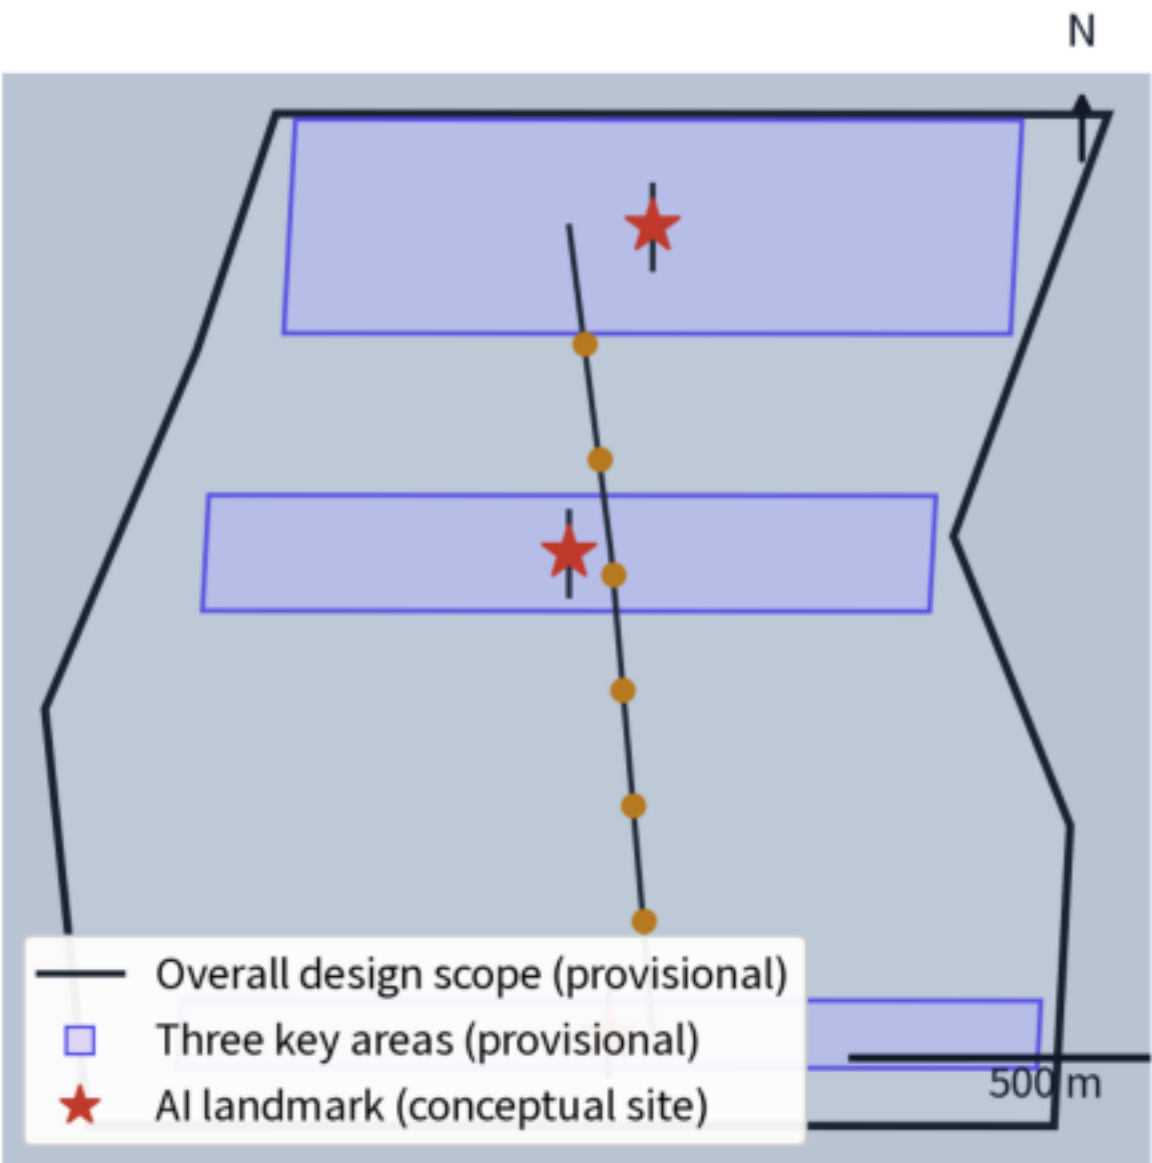

Single caliber: projected area of each land_use_code polygon under EPSG:4548 divided by all land_use polygons; identical to the proposal.md table, metrics.json and both HTML pages. No official land-use baseline exists yet; shares are conceptual scenarios recomputed by the same formulas after official data is published.

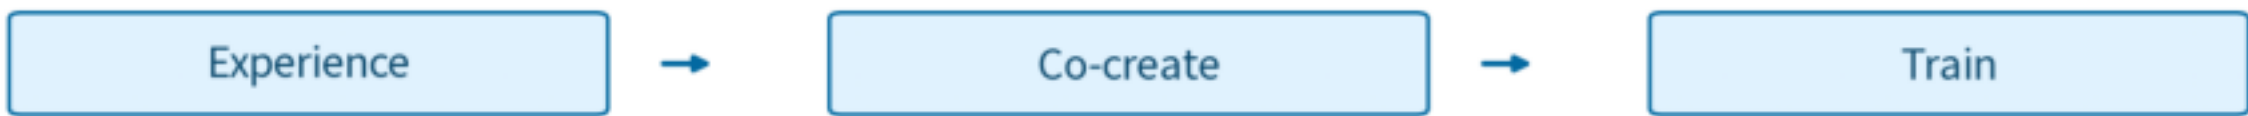

Three nodes: index & flow

Three Nodes: Index, Design Tasks and Usage Flow

PROVISIONAL boundary - not an official redline - recalculate after official data

- Youth Maker Hub**
Roadshow - incubation - mentor rotation (Zhongzhiyuan side)
Roadshow hall, co-creation workstations, mentor room, membership & honor wall, developer community
- Youth Co-living Commons**
Flexible rental - shared living (AI Origin Community side)
Flexible rental units, shared kitchen-living, community study, childcare corner, open ground floor
- Youth Vitality Plaza**
Open stage - sports - night vitality (Dazhongsi side)
Open stage, sports courts, flexible market, night-lit resting areas, public review

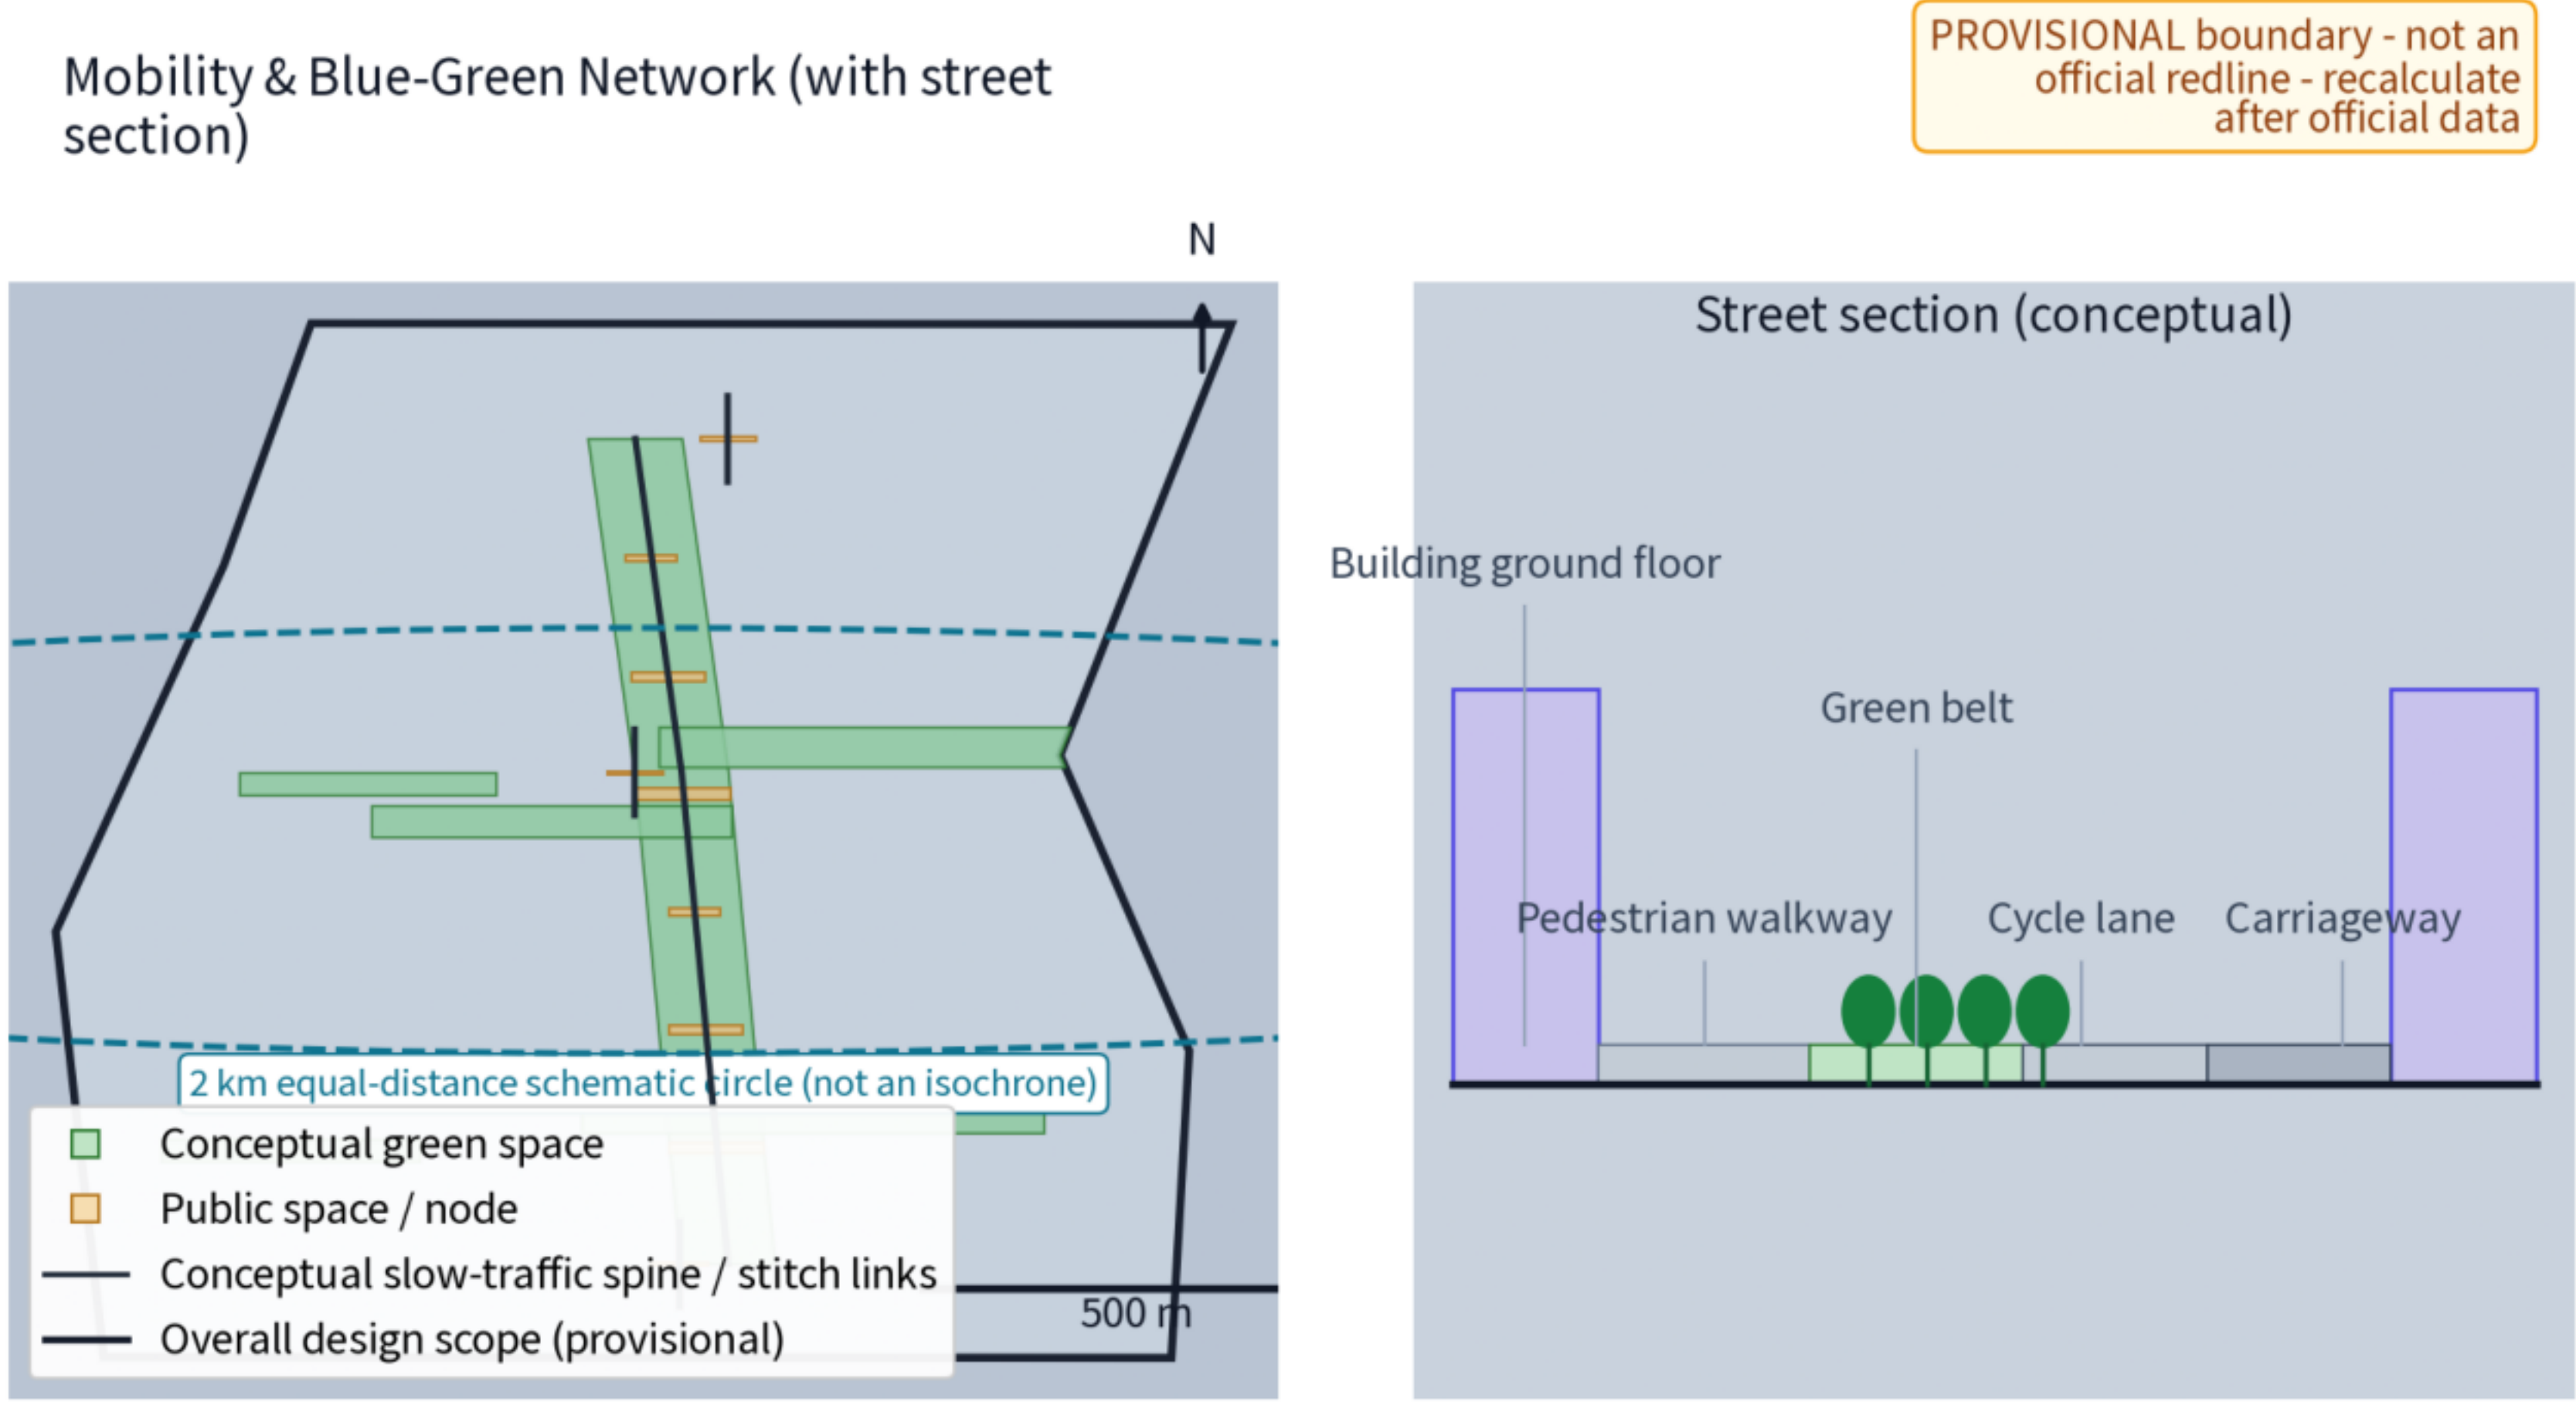

The three nodes are conceptual sites; final locations follow the organizer's official boundaries.

Youth Co-Creation Loop YOUTH.JZ - Mobility & Blue-Green - Key Metrics - Phasing (A0 Board 2/2)

Mobility and blue-green - key metrics - phasing (single caliber; three-tier scopes per official text)

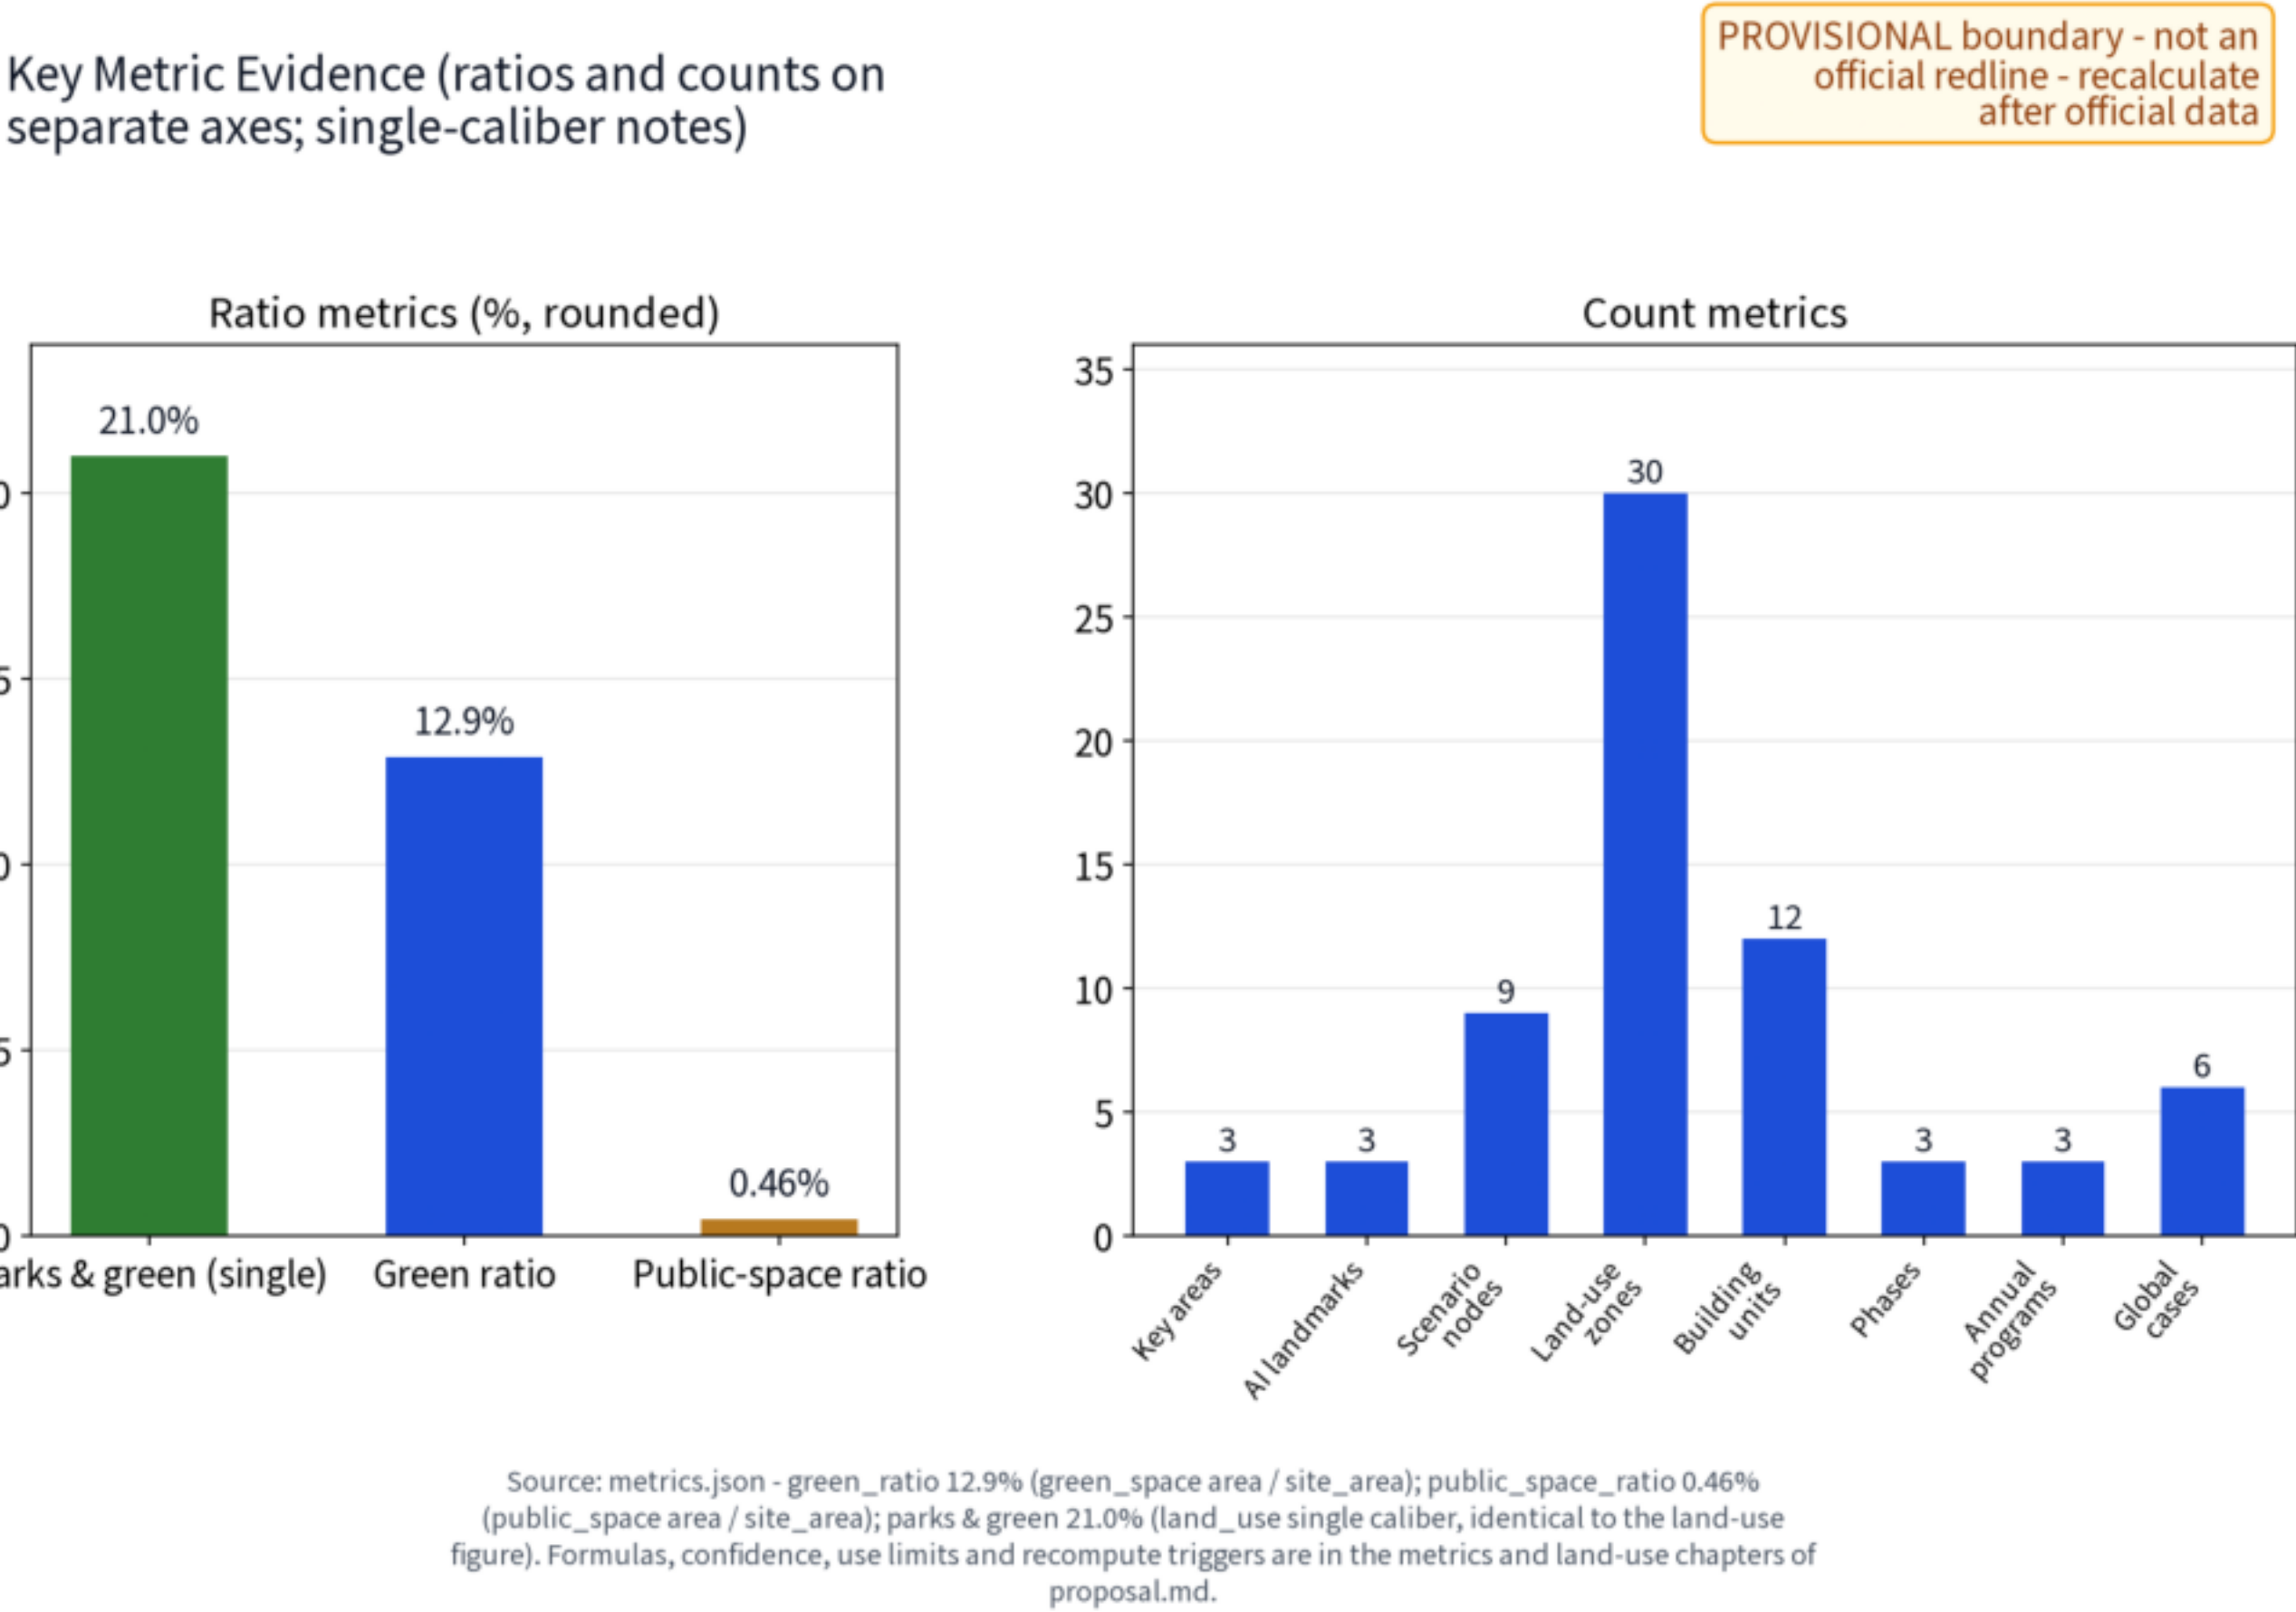

PROVISIONAL boundary - not an official redline - recalculate after official data

Mobility & blue-green (with section and 2 km schematic circle)

The section is a conceptual sketch, not an engineering cross-section; the 2 km circle is an equal-distance schematic circle, not a road-network isochrone (at 1.2-1.4 m/s about 24-28 min one way; no public road-network data as of search date; isochrone recomputed after official data).

Key metric evidence (ratios and counts on separate axes)

Operation flow and annual program brands (concept)
